

## 2023-2024 Student Health Insurance Plan for Loyola University of Maryland

### Who is eligible to enroll?

All full-time undergraduate students taking 12 credits, or more are automatically enrolled and charged premium for this insurance Plan, unless proof of comparable coverage is furnished. Full-time graduate students participating in the Masters Speech-Language Pathology program, Doctorate of Psychology program, Washington Montessori Institute and the Emerging Leaders MBA based programs are automatically enrolled in the plan and charge premium unless proof of comparable coverage is furnished.

Any policy that limits eligibility to full-time students will not prohibit enrollment of a student over the age of 18 enrolled less than full-time as a result of a documented disability that prevents the student from maintaining a full-time course load if the student maintains at least seven credit hours per semester.

Eligible participants who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse or Domestic Partner and dependent children under 26 years of age, including a grandchild, a child placed with the Insured for legal adoption, a child of a Domestic Partner, a child for whom the Named Insured is under testamentary or court appointed guardianship, other than temporary guardianship of less than 12 months duration, or a child for whom the Named Insured is under a court order to provide coverage. A Dependent shall also mean a Dependent of the Insured, under 26 years of age, as the term is used in 26 U.S.C. §104, 105, 106, and any regulations adopted under those sections. See the Definitions section of this Certificate for the specific requirements needed to meet Domestic Partner eligibility.

The student (Named Insured, as defined in this Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
  - a. On the date the Named Insured acquires a legal spouse or a Domestic Partner who meets the specific requirements set forth in the Definitions section of this Certificate.
  - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of this Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.
