

Save big on your prescriptions.

We make it easy to find the best prices.

The Comprehensive Formulary is a list of drugs your plan covers. Drugs are divided into tiers based on your plan's cost share, so you can compare and find more affordable alternatives to your prescriptions.

How to access your formulary.

- Log in to **MyHighmark.com** or the **My Highmark** app.
- Click on the **Benefits** tab.
- Scroll down to the **Insurance Benefits** section and click **Prescription**.
- Select **View drug formulary** to search for drugs by name or category.

Once you find a drug, you can check its pricing tier to see if any lower-cost options are available.

Why to choose generics.

Generic or preferred drugs typically cost a lot less than brand name or non-preferred counterparts. Talk to your doctor about switching to a cost-saving option if possible.

We're here to help.

If you have questions about your formulary, give us a call at the number on the back of your member ID card. You can also check your benefit booklet for more info on drug tiers.
